

The Prodigy Kids Club,  
Ashok Nagar  
Chennai,

I would like to take this opportunity in conveying my heartfelt gratitude & thanks to the entire Prodigy team, especially Miss. Bharathi Sai, who has been instrumental in finding out the strength and weakness of my son K. Hemant Kumar in the English language.

We have been associated with this Prodigy team for the last five years and are extremely happy with the performance of my son in his school. Their approach towards my son, their way of teaching and their attitude have been consistent towards improving my son's command over English language.

After the introduction of CCA pattern in his school, my son has <sup>been</sup> doing very well in Comprehension, General Composition and Grammar portions of English. I am <sup>very</sup> thankful to Miss. Bharathi Sai for her excellent teaching & individual coaching. I wish this Prodigy team a Great success.

Thanking you,

Yours truly,

Rama K. K.

Mrs. Rama Krishna Kumar
