Dear Team,

I am writing to you to extend my thanks and gratitude for the great mentoring effort on improving Lok Adhithiya's skills of English vocabulary. I enrolled him on Young Scholar English Skills and it has been a couple of months now and he has shown significant improvements in reading, writing and understanding the language.

I was happy with the counselling provided to me in a beneficial motive to groom kid's knowledge and skills and without any commercial promotional approach. There was a clear evaluation done to understand the skill level and clear plan was communicated by the mentor (Sandhya). The environment is keeping Adhi very much engaged during the session and he feels very comfortable to attend the sessions without missing even one.

The provided support materials are very relevant and helpful. I had been updated regularly with the feedback on Adhi's performance and the areas where improvements required. The coaching is planned well and it is flexible to meet the needs of each individual's to improve on their required areas.

The Prodigy Kids Club provides a very good environment for the kid to be in, through which he/she could grow more professionally with great values and discipline.

Thank You.

Sincerely,

S. Ganesh
